Teacher planning One of the rules that should be operated is the 80-20 rule. Usually when differentiating by task in the "old way", the teacher does 80% of the work and the pupils do 20%.

## **Section 2: Differentiation in practice in the curriculum**

Online homework and grading tools for instructors and students that reinforce student learning through practice and instant feedback.

## **WebAssign**

Needless to say homework results were less enthusiastic than participation in lesson! However a few students made an attempt to find some sort of "answers" and there was a class discussion about the lyrics, "you do it to yourself".
