writing to heal: a guided journal for recovering from

Writing to heal takes you on a journey that asks you to first pick up your pen and write in a journal. To then reflect on what you have written and rewrite it with positive intention, so that you change your story.

Writing to Heal. Using journaling to transform your life

In my Writing to Heal classes and workshops, I've seen the positive effect of combining all three approaches. I offer writing exercises in a sequence designed to maximize clarity, depth and insight. Writing is effective even if no one reads your writing, but I believe that voluntary sharing furthers the healing process. I've witnessed how people inspire and encourage each other through ...
