One of the best ways to attack from behind the zone it to always have at least one player in the short corner area. You'll find that on almost every ball reversal the player in the short corner will be open.

## 3 Simple Strategies to Attack a Zone Defense

With Belimoâ€™™s pressure independent control valve technology only a single valve is required to maintain proper flow through each circuit. Each valve arrives from the factory pre-set for each circuit and can be changed in the field, so there is no additional balancing required.
